BYO and School Owned Technology

Rationale:

Rostrata Primary School applies instructional technology in a way that optimises teaching and learning.

Beliefs:

- Students are engaged in a challenging curriculum that focuses on authentic learning
- Teachers function as coaches, mentors, advocates and managers of instruction and use technology to enrich and support learning across the curriculum
- The school is an environment where all students and staff have access to a range of current technology and staff can access the most up to-date professional learning

Procedures:

- Students and parents/guardians must read, understand and sign the Student User Agreement before students will be permitted to connect their personal iPad to the school's network.
- Students can only use a personal technology device at school, with the knowledge and written approval of parent/guardian and Rostrata Primary School.
- Students can only use a device for educational purposes whilst on school premises.
- Students can only use / connect to the school network when on the school premises.
- When resolving cases where a school or student-owned device has been damaged, existing school policies and procedures will apply.
- The school website will contain information and documents relevant for current and prospective parents.

Conclusion:

This policy ensures integration and application of instructional technology that supports the teaching and learning of students and teachers at Rostrata Primary School. This policy will be reviewed annually.

Technology Student User Agreement

Students must read and sign the Student Agreement in the company of a parent or guardian unless otherwise directed by the Principal.

- I have reviewed the BYO Device Requirements (in the Information Booklet) and my own device meets the minimum outlined specifications
- I will have my personal device fully charged each morning
- I will keep my personal device in my bag before and after school
- I understand my personal device will not have any social media or chat based apps installed
- I will use my own log-in details and will never share them with others
- I will stay cyber safe by not giving my personal information to strangers
- I will leave the device I am using in the designated secure classroom space(s) when it is not in use
- It is my responsibility to back up my own data
- I will only use the school's internet services for educational purposes
- I will only use the school's internet service when on the school premises
- I understand that whilst at school my activity on the internet can be seen and that these records may be used to review my actions
- I will not hack or bypass any hardware and software security implemented by the Education Department or Rostrata Primary School
- I will always have teacher permission to use any device on the school premises
- I understand that inappropriate use of technology may result in disciplinary action
- I will report inappropriate behaviour and inappropriate material to my teacher
- I will not use any device to knowingly search for, link to, access or send anything that is offensive or inappropriate, threatening, abusive or considered to be bullying
- I acknowledge that any staff member has the right to inspect and confiscate devices if there are suspected violations of Rostrata Primary School's Student User Agreement, and this may result in the loss of network / device privileges
- I understand that staff may confiscate devices until appropriate actions have been taken to ensure student well-being and disciplinary procedures have been completed

I understand and agree that I will abide by Rostrata Primary School's User Student Agreement

Student Name _____
Given name _____ Family name _____

Parent/Carer Agreement

I understand that my Child will be responsible for abiding by Rostrata Primary School's BYO and School Owned Technology Policy and Student User Agreement. I have read this document and discussed expectations with my child. We understand their responsibilities and their role in ensuring safety and the security of their personal device.
